

ALCATEL

MyCam

Tailored to suit your needs

- 720P HD Video
- Smart-Zone Motion Detection
- In-App Event Recording Playback
- 3 Video Recording Modes
- 115° Viewing Angle
- Night Vision
- Two-way Audio
- Baby Monitoring Features

MyCam makes it easy to keep your eyes and ears in your house or office at all time with no hidden recurring monthly fee.

Keeping an eye on your kids or your pets to make sure they stay away from the kitchen or any high risk areas; monitoring your baby's nap; making sure your store is locked or the lights are off. Stay connected with the places that matter to you, with the people you love.

No subscription. No monthly fee. No hidden cost

MyCam is just waiting for you.

Consult our mini website for more info and detailed specs
